Re: USA v. John Looney

Dear Kelly:

Please be advised that I represent John Looney in connection with the above matter.

I am requesting a 60-day adjournment from the current court date of November 15, 2019. The basis for my request is that the defendant has hired Jerry Grant, computer forensic expert, to review all forensic evidence in this matter and Mr. Grant indicates that he needs a substantial amount of time to perform those services.

I would waive speedy trial time during the period of the adjournment and ask for an exclusion of time.

Thank you.

Very truly yours,

James Napier, Attorney
